

Holiday Attractions

Plan your 2010 winter holidays to include Queensland's Sunshine Coast and the FAMM National Convention.

The Sunshine Coast is liberally endowed with interesting attractions. Firstly there are the many well known beaches then destinations such as Etamogah Pub, The Ginger Factory, the Eumundi Markets, Noosa Everglades, Underwater World, the Majestic Theatre at Pomona and the very scenic hinterland which includes Kennilworth, Flaxton, Montville, Maleny and the Glass House Mountains.

Take advantage of the beautiful autumn weather, the friendly natives and the companionship of like minded movie makers. All these factors combine to provide the perfect opportunity to "Make Movie Make Friends", do not let it pass.

Local Transport

Noosa is one and a half hours from Brisbane by road and just thirty minutes from Sunshine Coast Airport (Maroochydore). Shuttle bus connection from the Sunshine Coast Airport costs about \$23.

There are three Caravan/Holiday Parks close to the Australis - Munna Point Caravan Park, Russell Street, Noosaville - Lake Coorobah Holiday Park, Maximilian Road, Tewantin - Big 4 Bougainvillea Holiday Park, 141 Cooroy Road, Tewantin.

Translink local bus services operate past the Australis on a regular basis going to and returning from all the coastal centres, Tewantin, Noosa, Maroochydore, Alexandra Headland, Mooloolaba and Caloundra.

AUSTRALIS NOOSA LAKES

Set on seven landscaped acres by the shores of Lake Doonella and the Noosa River the venue is a modern complex with attractive studio type bungalows.

Australis at Noosaville, surrounded by wilderness, is near Tewantin and a short ferry ride along the Noosa River from the Noosa Heads precinct which is the centre of activity with outdoor cafes, fine dining restaurants and stylish boutiques just metres from Noosa Main Beach. A fifteen minute walk from Hastings Street leads to one of the most visited national parks in Australia, Noosa National Park. The Noosa area is a diverse region of spectacular coastal scenery, picturesque hinterland and the Noosa Everglades with its calm water and mirror like reflections that is a photographers paradise.

Traveling south down the coast from Noosa there are many renowned surfing beaches to visit or simply explore rock pools between Point Perry and Point Arkwright or follow the scenic trail to Point Arkwright lookout.

Maroochydore offers beach, riverside and shopping experiences, Sunshine Plaza Shopping Centre has a variety of speciality stores, cinemas, licensed cafes and restaurants.

Spectacular views of the beach can be seen from Alex Bluff when approaching Mooloolaba which is a thriving dining and shopping precinct. A hundred metres or so away explore Mooloolaba Wharf and come face to face with the sea creatures at Underwater World.

Caloundra the southern most area has many glorious beaches to surprise the visitor.

The Sunshine Coast hinterland is easily accessed from all the coastal centres. Discover the charm of Montville, Maleny and the Glass House Mountains.

Australia Zoo has recently topped the tourism award list for best attraction in Australia. Come and get a thrill out of watching the activities and even feed the elephants.

There is a large range of restaurants and cafes right opposite the Australis (with delivery service available) located just 150 metres away at the picturesque Noosa Marina. Alternatively choose one of the 183 restaurants in the Noosa area with some of the best situated on Gympie Terrace which is in walking distance.
